Academic Projects

Zenko(clothing)	**Jun 2023 –Dec 2023**
Tools: Wordpress, Elementor , woocommerce	

I've skillfully constructed this website on WordPress, incorporating the robust functionalities of Elementor, ACF, and WooCommerce. The seamless integration of these tools, along with my bespoke design, contributes to a polished and professional online presence

Job Search Platform	**Oct 2022 – Feb 2023**
Tools: HTML, CSS, React, SpringBoot, MangoDB, SQL	

Develop a Job seeker Job Search Platform that will enable users to search job listings, create profiles, submit applications, and can manage profile management.

Responsibilities:
- **User Registration:** Users sign up and create profiles.
- **Job Search:** Users search and apply for jobs.
- **Application Tracking:** Users track applications and get updates.
- **Employer Interaction:** Employers post jobs and review candidates.

Certifications

- **Internet of Things** – NPTEL, 2023

- **Slash Mark** – Wordpress, 2024
